VISION

To develop and grow African Sun Mining (Pty) Ltd to be the best Hard and Soft Rock Mining Company both in South African and Internationally with Zero Tolerance on Safety. Further, to continuously enhance our performance by delivering professional and quality service to our clients combined with low production costs.

MISSION

To build sustainable and long term partnerships with our clients based on ethical and fair business dealings, and promoting a corporate culture which is non-sectarian, non-political and which is socially and environmental responsible. To enhance and maintain a profitable mining company, while ensuring sustainable financial returns to our stakeholders.
